To The Secretary to the Government of Madras,

THE CHAIRMAN, MUNICIPAL COUNCIL,
M A N G A L O R E. FORT SAINT GEORGE,
M A D R A S.

Sir,

In G. O. No. 2884 P. H., dated the 17th December 1934, Government under ~~under~~ sub section (3) of Section 67 of the Local Boards Act, 1920 as amended, passed orders fixing the designation, grades, salaries, etc. payable to public Health Establishments under the control of the District Boards and requested Municipal Councils to adopt them in the case of Public Health -- Establishments. In response to this order the Municipal

Council

Council in its Resolution No.23, dated the 15th February 1935, adopted the above G.O. in the case of Municipal subordinates under Public Health Establishments with effect from 1st January 1935. A report was also submitted to Government informing them the fact of having given effect to the above order and also -- communicating a copy of the Council's resolution recommending the grant of personal pay in the case of those who were already drawing pay in excess of the maximum salary laid down by Government. A copy of this letter together with the enclosures sent, is enclosed for immediate reference. Pending receipt of the orders of Government, on this reference, the difference in pay between the maximum and the present pay in the case of some of the conservancy lorry -- drivers were withheld. They represent that in view of the nature of the work they are doing, they may be allowed the pay they were drawing at the time of the adoption of the revised scale. In view of the fact that, Government in Memorandum No.19372-A1-E1, P.H., dated the 22nd May 1935, ordered that pending the fixation by Government under Section 70(3) of the Madras District Municipalities Act 1920 fixing the strength, scale of pay, etc. of Municipal servants, the Municipal council which have not so far adopted the scales of pay fixed for District Boards need not now revise the scales of pay of Public Health servants, I request that the benefit of the personal pay may be granted in the case of those who were drawing in excess of the maximum under the revised scales of pay.

It is also laid down that the maximum pay of the menials paid under contingencies should not exceed Rs.12/- As a number of menials, as already reported, are paid at a rate above Rs.12/- the payments made will be illegal unless Government approve of the same. Under the circumstances, I request Government will be pleased to issue early instructions in this matter.

Your obedient servant,

Copy of letter No.1154 of 34-35,dated the 8th March 1935, from - the Commissioner, Mangalore Municipality, through the Chairman, Municipal council, Mangalore, to the Secretary to the Government of Madras,Local Self Government Department Fort St. George, Madras.

Establishments - District Boards and municipal councils - Public Health establishments - Designations,grades, and salaries etc. adopted.

G.O.No.2884 P.H. dated the 17th March 1 9 3 5.

The municipal council has in its resolution No.23, dated the 15th February 1935, adopted the designations,grades, and salaries, allowances etc. payable in respect of the officers and servants in the employ of the municipal council under Public Health Establishments with effect from 1st January 1935.

2. In giving effect to the above order the following staff are adversely affected in as much as their present pay exceeds the maximum of the scale of pay prescribed by Government and the Council therefore recommends that the -- difference between their existing pay and the maximum in the new scale, may be allowed as personal pay in each of the cases detailed in the enclosed list.

3. I have also submitted herewith a list of menials employed at present by the municipal council and their scale of pay. The council is of opinion that in view of the fact that there has already been a considerable cut in their pay and privileges very recently any reduction in their existing pay is not advisable at present and may affect the smooth working of the menial establishment. The council therefore -- recommends that the present pay of the menials may be continued subject to the sanction of Government.

4' Besides those specified in the G.O. the council has in its employ the following staff on the scales of pay specified against them and I request, Government will be pleased to sanction their retention from 1st January 1935.

A copy of the council's resolution on the subject is enclosed.
